

FREDERICK DOUGLASS HIGH SCHOOL ORCHESTRA

Corporate Sponsorship Program

Dear Friend,

I would like to thank you for considering sponsorship of the Frederick Douglass High School Orchestras!

To summarize our orchestra program is to simply say that we are growing! Our orchestra program is only in its third year, and is already recognized at the District level as a distinguished program and Program of Excellence. Please help us continue growing! The success of the Douglass Orchestra program takes hours of time from dedicated students, instructors, and committed volunteers. It also takes significant financial support from donations.

High school arts programs across the state are facing reduced budgets and lack of state funding support. Our program requires annual financial support for musical instrument equipment and repairs, concert wear, sheet music, transportation to performances and field trips and instructional costs.

Please help us achieve our goal of being one of the premier orchestra programs in the state. Through your generous support, the FDHS orchestras will continue to represent the Lexington community with honor, pride, and excellence.

Partner with us as we grow!
